Tourist accommodation in the 2019 summer season

Increase in overnight stays in hotel accommodation during the 2019 summer season

The hotel sector registered 22.6 million overnight stays in Switzerland during the 2019 summer tourist season (from May to October). This represents an increase of 2.4% (+536 000 overnight stays) compared with the same period a year earlier. With a total of 12.9 million overnight stays, foreign demand rose by 2.1% (+268 000). Domestic visitors registered a 2.8% increase (+269 000) with 9.8 million units. These are the provisional results from the Federal Statistical Office (FSO).
