### 05 Prices

Producer and Import Price Index in November 2019

## Producer and Import Price Index fell by 0.4% in November 2019

The Producer and Import Price Index fell in November 2019 by 0.4% compared with the previous month, reaching 100.5 points (December 2015 = 100). This decline was due in particular to lower prices for chemical and pharmaceutical products. Compared with November 2018, the price level of the whole range of domestic and imported products fell by 2.5%. These are some of the findings from the Federal Statistical Office (FSO).
