Tourist accommodation during the 2020 summer season

## Sharp drop in overnight stays in hotel accommodation during the 2020 summer season but increase in domestic demand

The hotel sector registered 13.4 million overnight stays in Switzerland during the summer tourist season (from May to October 2020). This represents a decline of 40.9% (−9.3 million overnight stays) compared with the same period a year earlier. With a total of 10.2 million overnight stays, domestic demand rose by 3.9% (+384 000). Foreign visitors registered a 75.2% decrease (−9.6 million) with 3.2 million overnight stays. These are the provisional results from the Federal Statistical Office (FSO).
