Producer and Import Price Index in November 2018

Producer and Import Price Index fell by 0.3% in November 2018

The Producer and Import Price Index fell in November 2018 by 0.3% compared with the previous month, reaching 103.1 points (December 2015 = 100). This decline is due in particular to lower prices for pharmaceutical products. Compared with November 2017, the price level of the whole range of domestic and imported products rose by 1.4%. These are some of the findings from the Federal Statistical Office (FSO).
