### 05 Prices

Swiss construction output price index in October 2018

## Construction prices rose by 0.3% in October 2018

The construction price index recorded a rise of 0.3% between April and October 2018, reaching 99.3 points (October 2015 = 100). This result reflects a greater increase in civil engineering prices than in building prices. Year on year, construction prices increased by 0.6%. These are the results of the Federal Statistical Office (FSO).
