Producer and Import Price Index in February 2019

Producer and Import Price Index rose in February 2019 by 0.2%

The Producer and Import Price Index increased in February 2019 by 0.2% compared with the previous month, reaching 101.9 points (December 2015 = 100). The rise is due in particular to higher prices for petroleum products. Compared with February 2018, the price level of the whole range of domestic and imported products fell by 0.7%. These are some of the findings from the Federal Statistical Office (FSO).
