Producer and Import Price Index in April 2019

The Producer and Import Price index remained stable overall in April 2019

The Producer and Import Price Index remained unchanged in April 2019 compared with the previous month. The index stood at 102.2 points (December 2015 = 100). Higher prices were seen in particular for petrol and machinery, while diesel and heating oil became cheaper. Compared with April 2018, the price level of the whole range of domestic and imported products fell by 0.6%. These are some of the findings from the Federal Statistical Office (FSO).
