### 05 Prices

Producer and Import Price Index in May 2019

## Producer and Import Price index remained stable overall in May 2019

The Producer and Import Price Index remained unchanged in May 2019 compared with the previous month. The index stood at 102.2 points (December 2015 = 100). Petroleum products in particular saw higher prices, while chemical and pharmaceutical products became cheaper. Compared with May 2018, the price level of the whole range of domestic and imported products fell by 0.8%. These are some of the findings from the Federal Statistical Office (FSO).
